## Our Programs

### Children's Connection

Coordinates public and private resources to identify, investigate and treat children suffering from sexual and severe physical abuse and their families. We are a fully accredited Children's Advocacy Center (CAC).

### Dr. Robert E. Appleby School Based Health Centers (SBHC's)

Six SBHC's in Norwalk's middle schools and high schools provide medical and mental health services to all enrolled students regardless of their insured status. Healthy kids make better learners!

### Substance Abuse Prevention

Our mission is to bring recognition and resources to address substance abuse and its effects through collaboration, education and awareness campaigns.

### Norwalk Mentor Program

A mentor provides a safe, stable role model to many children who may have no one else. We currently have 268 mentor/mentee matches in the Norwalk Public Schools.

### Supportive Housing

**40 South Main** provides stable, safe, quality housing for individuals to advance and achieve independence who would otherwise be homeless or at-risk of homelessness.

**Ludlow Commons** provides senior housing and congregate care to those 62 years of age and older.

## Participating SoNo Restaurants

**Beach House SoNo**– Join us for our ultra-fresh seafood, like the salmon summer roll and seafood risotto while enjoying unique cocktails like the Coconut Mojito and Blood Orange Margarita.

**El Segundo**– A simple menu featuring street food from around the globe that everyone loves to eat: tacos, arepas, ceviche, Asian bao, light salads and a little comfort food thrown in for good measure.

**Evarito's Mexican Bar & Kitchen**– We believe craftsmanship is style...from ingredients, preparation, presentation, and even service, quality is well, everything. Come enjoy authentic, yet modern Mexican style cuisine.

**Harlan Publick**– Provides the freshest local ingredients available, creative menus, high quality food, beverages and service. Try our Harlan Burger, voted Best Burger 2017 CT Bites or Chef's favorite, Jerk Chicken Empanadas and Beet, Arugula & Goat Cheese Salad.

**Match**– New American cuisine that combines classic cooking with creative twists, highlighted by seasonal, local ingredients.

**O'Neill's Irish Pub**– Fabulous Irish pub-style food in a warm, welcoming environment with true Irish hospitality.

**Saltwater SoNo**– Sophisticated and casual is the feeling that will greet you as you enter Saltwater for the first time. Serving New England style seafood with an edge.

**Tablao**– Spanish-Mediterranean inspired dining in an intimate locale evoking the style and sensibility of a modern wine and tapas bar one would find along the café-dotted streets of Seville, Spain.

**The Spread**– Inventive, rich and flavorful dishes – from grass-fed Kobe beef burgers to cloud-like ricotta Gnocchi, new American cuisine appealing to the most discerning audiences.

**Washington Prime**– This eating & drinking well is driven by a culinary and beverage program that is based on honesty and creativity. The land and sea menu is a bit of Americana with cross-cultural influences. The space is multi-dimensional and the attitude is left at the door.
