HUMAN SERVICES COUNCIL

Welcome to the Program

Effective: April 2023

Dear Parent/ Guardian

Welcome to the Dr. Robert E. Appleby School Based Health Centers, a program of the Human Services Council. As a student in one of Norwalk's High Schools or Middle Schools with an onsite health center, your child can take advantage of our physical and/or mental health services. Our goal is to keep students healthy, in the classroom, and ready to learn.

Why use the School Based Health Center?

We provide easy access to high-quality physical and mental healthcare, in a friendly setting, at a time that is convenient, at no out-of-pocket cost to your family. Our providers include board certified pediatricians, Nurse practitioners (APRN) and an Adolescent Psychiatrist leads a team of Licensed Mental Health Counselors. Students and parents are part of the team, and our parent liaison and outreach staff will partner with you to get connected to the care you need.

There is no requirement to transfer care from your primary care provider (PCP)

Notice of Privacy Policy

HSC's Dr. Robert E. Appleby School Based Health Centers are required by law to protect certain aspects of your health- care information known as Protected Health Information (PHI) and to provide you with this Notice of Privacy Practices.

We respect your privacy, and treat all our patients' healthcare information with care, under strict policies of confidentiality that our staff are committed to following at all times.

The following page describes your legal rights, advises you of our privacy practices, and lets you know how HSC–SBHC is permitted to use and disclose PHI about you.

Notice of Privacy Policy (cont'd)

We use and disclose PHI in many ways:

- **For treatment.** This includes such things as verbal and written information that we obtain about you and use pertaining to medical conditions and treatment provided by us and other medical personnel (including doctors and nurses who give orders to allow us to provide treatment). We also may share PHI to coordinate the different services you need: prescriptions, lab work and diagnostic testing. We also may disclose PHI to people who may be involved in your medical care such as family members, etc.
- **For Payment.** We may use and disclose medical information about you so that the treatment and services you receive at the SBHC may be billed for and payment may be collected on your behalf from an insurance company or third party.
- **For Health Care Operations.** This includes quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, creating reports that do not individually identify you for data collection purposes.

Use and Disclosure of PHI without Your Authorization

HSC–SBHC is permitted to use PHI without your written authorization, or opportunity to object in certain situations including:

- For HSC-SBHC's use in treating you or in obtaining payment for services provided to you or in other health care operations;
- For the treatment activities of another health care provider;
- To another health care provider or entity for the payment activities of the provider or entity that receives the information (such as your insurance company);
- To another health care provider (such as the hospital to which you are transported) for the health care operations activities of the covered entity that received the information as long as the covered entity receiving the information has or has had a relationship with you and the PHI pertains to that relationship;
- For health care fraud and abuse detection or when required to do so by federal, state ,or local law;
- To avert a serious threat to health or safety.

Your Rights Regarding Medical Information About You

You have the following rights regarding medical information we maintain about you:

- **Right to inspect and copy medical and billing records**. This does not include psychotherapy notes. To inspect and copy medical information you must submit your request in writing. If you request a copy of the information, we may charge a fee for the costs associated with your request. We may deny your request to inspect and copy in certain very limited circumstances. HSC will provide you with a written denial specifying the legal basis for the denial, a statement of your rights and a description of how you may file a complaint with us.
- **Right to Amend.** You have the right to request an amendment of your PHI for as long as the designated record is maintained by HSC. Your request must be in writing, providing the reason that supports your request. We may deny the request if you ask us to amend information not created by us; is not part of the medical information kept by or for the SBHC; is not part of the information which you would be permitted to inspect and copy; or is accurate and complete.
- **Right to an Accounting of Disclosures.** You have the right to request an "accounting of disclosures." This is a list of the disclosures we made of medical information about you, excluding disclosures for the purpose of treatment, payment, or healthcare operations. This request must be submitted in writing to the Administrator including time period requested.
- **Right to Request Restrictions.** You have the right to request in writing a restriction or limitation on the medical information we use or disclose about you for treatment, payment, or health care operations. This includes a limit on the medical information we disclose about you to someone who is involved in your care or the payment. of your care, like a family member.
- **Right to Request Confidential Communication.** You have the right to request, in writing, that we communicate with you about medical matters in a certain way or at a certain location. Your request must include how and where you wish to be contacted. If you do not tell us how or where you wish to be contacted, we do not have to follow your request.
- **Right to a Paper Copy of this Notice.** You have the right to a paper copy of this notice.
- **Right to Breach Notification.** You have the right to be notified of any breach of your unsecured information healthcare.

Other Uses of Medical Information

For all other uses and disclosures of information not contained in this Notice of Privacy Practices will not be disclosed without your authorization. If you provide permission to us to disclose PHI about you, you may revoke that permission, in writing at any time.

Complaints

If you believe your privacy rights have been violated, you may submit your complaint in writing to HSC:

HSC Program Director
Dr. Robert E Appleby School Based Health Centers
Human Service Council, One Park Street, Norwalk CT 06851

Changes To This Notice

We reserve the right to amend or revise this Notice at any time. The revised or amended Notice may be made effective for all PHI HSC maintains as well as any information we receive in the future. We will post a copy of the current notice in our office which will contain the effective date.
